

Wednesday 24th February L.O. To talk about a text and answer questions.

The polar bear is described as a strange white creature. Why do you think the author has chosen to describe it in this way?

How does it make you feel about the bear?

Wednesday 24th February L.O. To talk about a text and answer questions.

Think about the verb chosen to describe how the polar bear was travelling – **carried**. What does this suggest to you? Do you think it has chosen to make this journey? Why or why not?

-

Think about the adjective used to describe the waters – **dark**. What does this make you think about? How does it make you feel about the bear and its situation?
