Viking Full Circle

Viking Full Circle

A silly spelling game based on the Letters and Sounds **Full Circle** game.

Learning Objective:

- To segment words into phonemes and then choose the corresponding grapheme.
- To blend sounds when reading.

Listen to the word that you need to spell.
Arrange the sounds on the boat to spell the word, (why not give the rest of the class drywipe boards so that all can take part).
Press on the big wave to see if you're right.
If you're wrong the Viking will look down at what you've done, if you're right he'll cheer.

The first word is displayed throughout the game. When you find the first word again shout 'Full Circle'.
