

# Compass Directions

I can use the eight compass points to describe routes on a map.

		bakery 		mosque 	
church 		park 	hospital 		
	taxi rank 		post box 		café 
fire station 		toy shop 		airport 	
	school 		vets 	pool 	
fair 		police station 			beach 
bus stop 	dentist 	START 		supermarket 	

- From the start go north 4 squares and west 2 squares. Where are you now?
- From there, go north east 1 square and east 2 squares. Where are you now?
- From there, go south 2 squares and south east 2 squares. Where are you now?
- From there, go west 4 squares and south 1 square. Where are you now?
- From there, go north west 1 square and west 1 square. Where are you now?
- Start at the supermarket. How do you get to the church?
- Direct someone from the pool to the park.
- Write directions from somewhere on the map to another place.
