

Personification

Aim: Choose and use words and phrases that capture the reader's interest and imagination.

Definition

Personification is a figure of speech in which an object, an idea or an animal is given human qualities.

If you can imagine an object doing actions or behaving like a person, that's personification.

Activity

1. Match the object to the human quality to complete the sentence.

Object		Human quality
The candle flame		nodded in the wind.
The chocolate cake in the fridge		crept into the classroom.
The party		danced in the dark.
The wallflowers		sang a lonely song.
Along with the teacher, silence		was calling her name.
The wind		died as soon as he left.

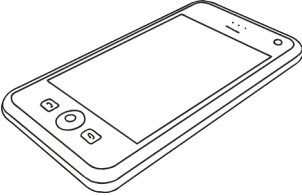

2. Once you have matched the parts of the sentence, underline the object and underline the verb in each sentence.

3. What effect does the use of personification have on the reader?

4. Use a picture and choose a verb to create your own sentence using personification to describe the object. Use the best verb to create the image that you want to put in the reader's mind.

For example:

The summer sun hugged the meadow.

	sang		watched	
hugged			screached	
	yelled			
	smiled			swallowed

Challenge:

Can you use more than one verb to personify the objects in each sentence to create the image you want for the reader?

Use the same pictures or choose your own objects to describe.

For example:

The tiny boat danced wildly in the waves as the sails pleaded for calm.
