

Plan a letter to the logging company that want to chop down the Kapok tree:

Opening: Do you think the logging company should cut down the Kapok tree? Give a short answer why you feel that way.

First reason why you think they should / should not.

Can you find a fact to back up your idea?

Vocabulary:

What words or phrases might come in handy when you are writing your letter?

Second reason why you think they should / should not.

Can you find a fact to back up your idea?

Third reason why you think they should / should not.

Can you find a fact to back up your idea?

Conclusion: How does this make you feel? How do you think the logging company should feel? What should they do?
