

# Tooth Decay Investigation

Scientists Names: \_\_\_\_\_

## Question

What will happen to the apples/eggs if \_\_\_\_\_

\_\_\_\_\_

## What we need

\_\_\_\_\_

\_\_\_\_\_

## What we did

Draw a picture of the apples/eggs in their beakers. Remember to label the diagram.

## Write what you did here:

\_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

## How did you keep it fair?

\_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

What do you think will happen to your apples/eggs and why?

---

---

---

---

My results

<u>Date</u>	<u>Observations</u>

After 7 days what happened to the apples/eggs

---

---

---

Which apple/egg was the worst in the group and why do you think this?

---

---

---

What have you learnt about cavities in your teeth?
