BRANCHING OUT, GROWING TALL  
HAND IN HAND, ONE AND ALL

Dear Parents, Carers and Friends,

We are now coming to the end of our 11th week since school closure. It has been a long time and it is natural for the school community to feel unsettled and worried about what the future will bring. Our teachers are already busily making plans for the future and many discussions are taking place. It is difficult to confirm plans at the moment as we are waiting for further guidance from the Department for Education, however we want to ensure smooth transitions and will continue to put our children's wellbeing and school values at the centre of any decisions made.

It was wonderful to see the Year 1 children back at school this week and we are very excited to see the Reception children on Monday. Although we are thrilled to see these children, it makes us miss the other year groups even more and we can't wait to all be back together again in a new form of 'normal.' whenever that may be.

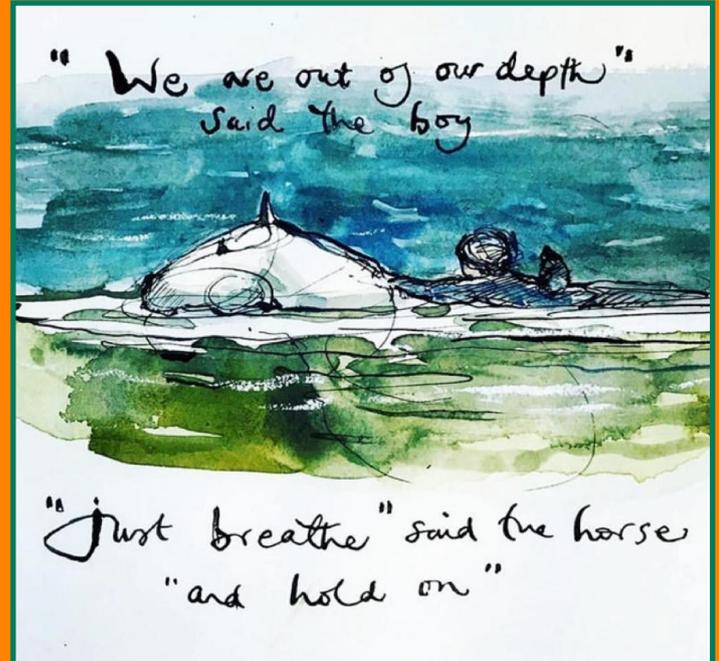

We continue to pull together as a school community as we work our way through this. As mentioned before, we are here to support you so don't hesitate to let us know if there is anything you need, even if it is as simple as a chat.

Have a lovely weekend,

Mrs Nairne
