

HANDSWORTH NEWS

**BRANCHING OUT, GROWING TALL
HAND IN HAND, ONE AND ALL**

**Handsworth
Primary School**

Dear Parents, Carers and Friends,

I hope you all had an enjoyable long weekend! We have had a fantastic week. The children all looked so smart on Wednesday for their class photos, we were pleased to be able to take the individual photographs that had been missed earlier in the year too.

Thank you for continuing to follow the guidelines during school drop off and pick up. It is so important. The government guidelines for schools are still as they were during the peak, so although we see restrictions lifting elsewhere, it is vital we remain alert and cautious. We are currently looking at what has worked well for the children over the last 12 months. We are determined to learn from this pandemic and are currently reviewing how we can adapt and adjust to take the positives in to next academic year. As always, please feel free to share any feedback with us. We want to work with you in ensuring we do the best for our children and community.

On July 9th, you will receive your child's school report. These will be available via our school website and you will be able to comment on the report. You will also be able to arrange to meet or have a telephone consultation with your child's teacher if you wish to discuss anything further. Please remember you are able to contact the school office if you would like to discuss anything with your child's teacher, staff will give you a call or arrange a meeting if needed. Likewise, remember you can always come and see me if there is anything you would like to discuss.

Wishing you all an enjoyable weekend,
Mrs Nairne.

A reminder we are still collecting old batteries. You can see the collection box inside the foyer to the left of the door. Thank you.

The purpose of Star of the Week is for us to have the opportunity to celebrate every child in our community specifically. We encourage everyone to celebrate what is wonderful about that child. Children do not need to do anything to earn Star of the Week – each child deserves it and they will each get a turn.

If your child is Star of the Week we encourage you to ask them to repeat to you some of the positive statements their classmates and teachers make about them and add your own!
