**BRANCHING OUT, GROWING TALL
HAND IN HAND, ONE AND ALL**

Dear Parents, Carers and Friends.

Today has been amazing! We have had so much fun raising money for Children in Need. The children arrived this morning buzzing with excitement and have thoroughly enjoyed the day. Thank you Year 6 for organising the event. The children made videos for other year groups explaining the games and activities for them to take part in. Well done Year 6, we are really proud of how you led today!

We hope you enjoyed our Virtual Parents' Evening, it certainly was different! We would be interested to hear how you found it. Thank you to those who have already given feedback. I know the staff enjoyed the experience. Parents' Evening, a fire drill and Children in Need all in one week! Our teachers certainly deserve a rest this weekend.

You will have seen we have sent out our Draft RSE Policy and information about the new RSE curriculum. You will also see a Parent Consultation Survey that can be used for your comments. There is a banner on the website and you can find the link there. Please speak to Miss Bossman if you would like to discuss anything further.

Please remember we have a box on the wall outside the office for any paperwork that needs to be given in to school. The box is checked daily by office staff. If you do need to come to the office, please wear a mask. Also if your child would like to change from school dinners to a packed lunch, or visa versa, it is very important you email the office to notify us. This will avoid unnecessary charges. Please can we also remind parents and carers that only 1 adult should be bringing children to school. This means there are less adults on site and allows for more distancing.

Have a wonderful weekend. Mrs Nairne

Diwali

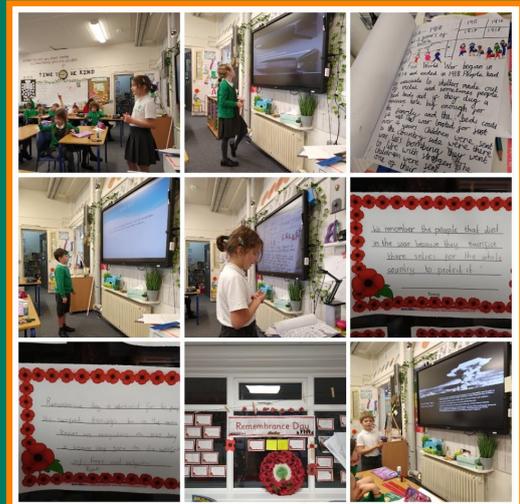

To all who celebrate Diwali, wishing you a Diwali that brings you happiness, prosperity and joy to you and all your family. Thank you Niyam for sharing his amazing Rangoli pattern.

"This piece of art is made up from lots of different colours. It can be big or small and is made from rice or powder. Sometimes people make them with chalk on the ground. It is an Indian style pattern, I started from the middle and worked my way out. In India they make Rangoli patterns on the floor for the day of Diwali." From Niyam

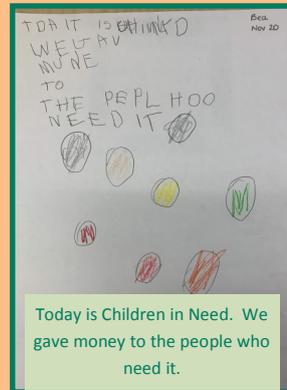

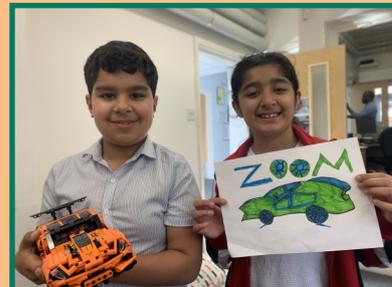

The children have been thinking of those who have died during wars. It is important to take time to think about what others have done for us.

Thank you!

Today is Children in Need. We gave money to the people who need it.

Calling all crisp-lovers!

- Did you realise that it takes 80 years for a crisp packet to decompose?
- Did you know that 150 of them can be ironed together and turned into a survival blanket for a homeless person and will help keep their sleeping bag dry and insulated?
- There is a charity collecting crisp packets for this very purpose. They want as many as possible by 3rd December, so we are going to collect them until the end of November and then post them off to Frome.
- There will be a collection point **outside** school reception.

Please note - prizes are subject to change
