

Welcome to Handsworth Nursery.

Come inside and have a look!

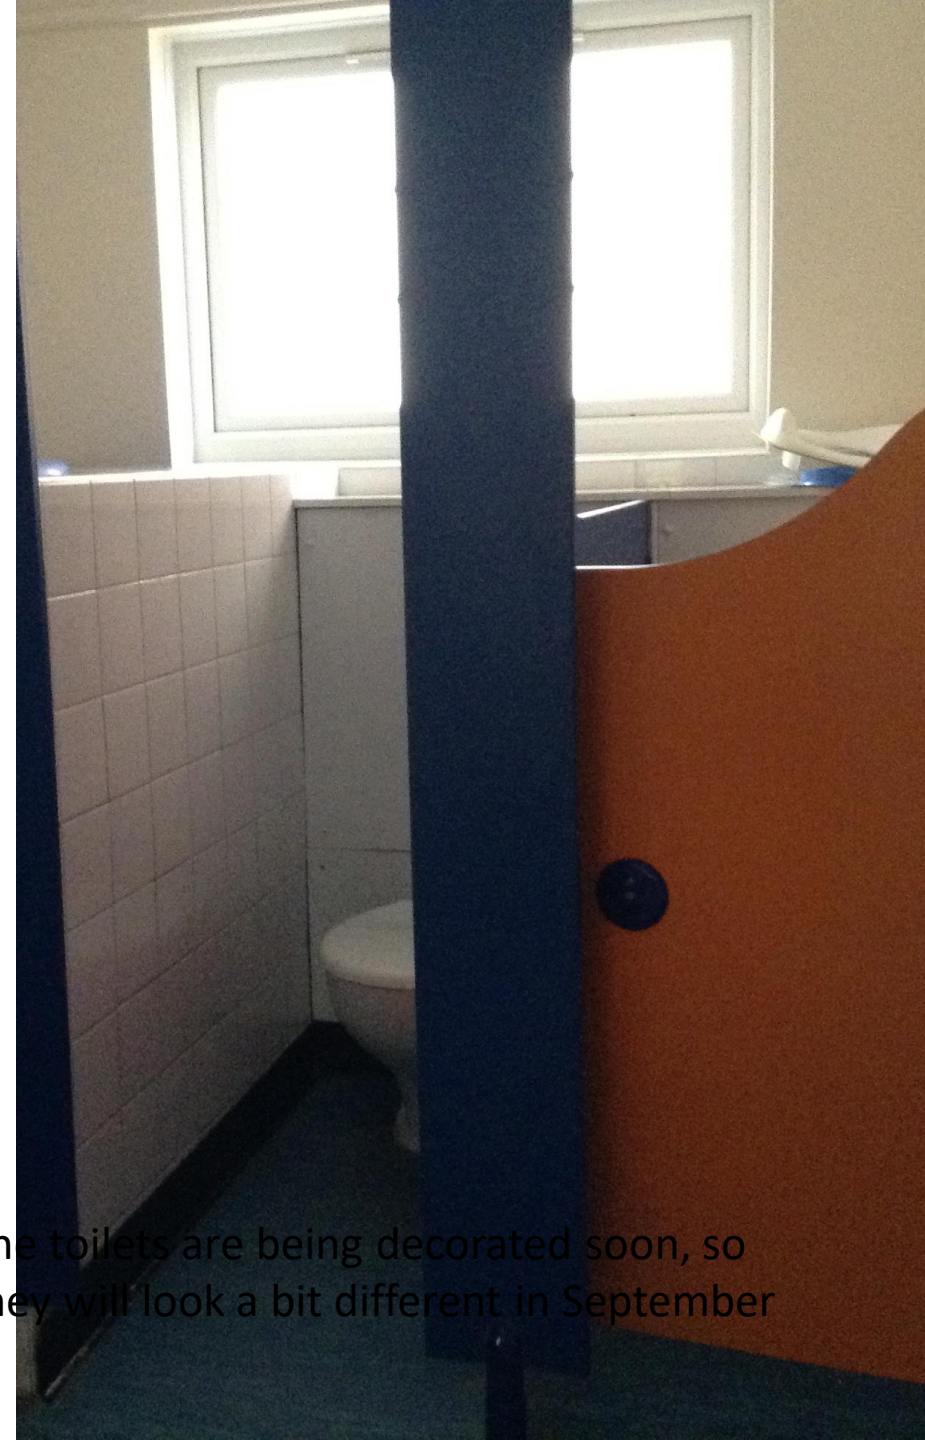

This is the Nursery front door. It has a doorbell for grownups to ring when they would like to come in. There are scooterpods outside so you can park your scooters.

This is where you can hang your coats and bags. There is a message board for important information.

This is where you can go to the toilet and wash your hands. You can dry your hands with paper towels, or you can use the handdryer.

The toilets are being decorated soon, so they will look a bit different in September

It is really important to wash your hands. This is the song we will all learn to help us remember how to wash our hands.

[NHS song](#)

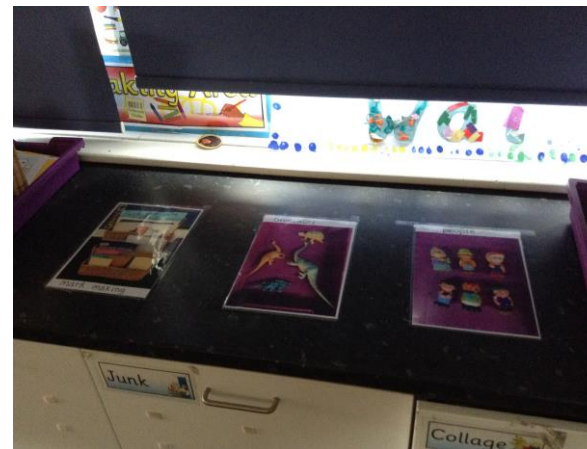

We love painting in Nursery.
When you paint, you can put on an apron to protect your clothes.

We have lots of things to play with in Nursery. When you have finished playing, the pictures will help you to tidy up.

Can you see where the dinosaurs and people go?

There are coloured tables inside where you can sit and play. This is where you will also sit and eat your lunch.

At lunchtime you will have a special place to sit and eat. We all sit together so we can have lovely chats with our friends!

This is the carpet area where we will all sit and listen to stories or watch programmes on the magic board.

This is our Nursery garden.
There are lots of places for you to explore and have fun with your friends.

You can sit, run, climb and jump outside.

When it rains, you can play under the shelter.
When it's muddy you can put your wellies on and
when it's time to tidy up you can put things in the
shed.

Miss Lashley

Mrs Halpin

Mrs Hillman

Miss Walter

We are looking forward to seeing
you at Nursery really soon.
