

Influential Musicians

Below are the stories of four talented musicians, whose music continues to inspire many people today.

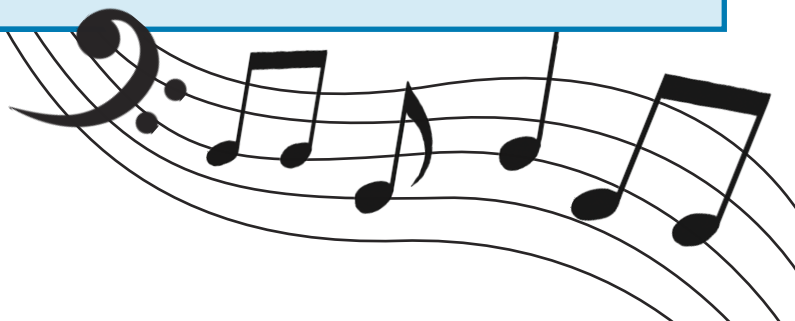

Ella Fitzgerald

Ella Fitzgerald was born in Virginia, USA in 1917. Her career lasted for over 60 years. She was called the 'First Lady of Jazz' and people liked her fantastic voice. Ella wanted to be a dancer when she was a child. When she was 17 years old, she panicked just as she was about to dance on stage at a contest. She chose to sing instead. She won first prize. During her career, she won 14 awards. In 1966, she became the first woman to receive a lifetime achievement award from a famous recording academy.

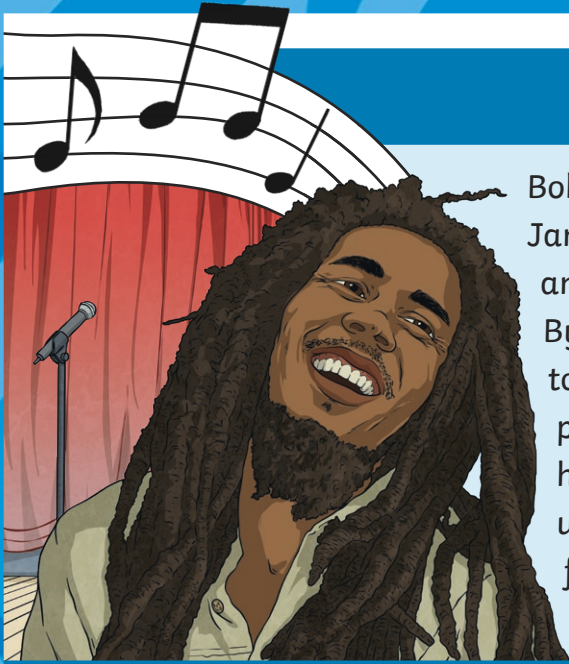

Aretha Franklin

Aretha Franklin was born in Tennessee, USA in 1942. Many people think that Aretha is the greatest soul singer in the history of **R & B** music. She first began performing as a young child when she would play the piano and sing with her father. Over her impressive career, she won 20 awards, including one for lifetime achievement. Aretha used her fame to raise awareness of causes that were important to her, such as healthcare and the environment.

Bob Marley

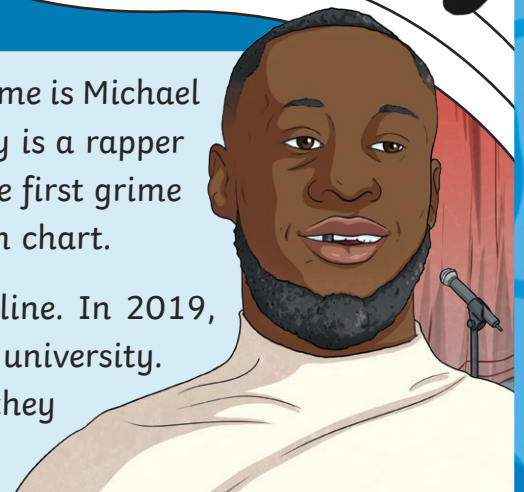

Bob Marley was born on 6th February 1945 in Jamaica. He made **reggae** music to tell stories and to spread messages of love around the world. By performing his music, he encouraged people to stand up for what they believed in. Many people today are inspired by the words that he wrote. Bob Marley did not win any awards until a long time after his music was made. He finally received a lifetime achievement award in 2001.

Stormzy

Stormzy was born on 26th July 1993. His real name is Michael Omari and he is from Croydon, London. Stormzy is a rapper who makes **grime** music. His first album was the first grime album to reach number one in the British album chart.

Stormzy began his career by posting videos online. In 2019, he helped two Black students to afford to attend university. He wanted to remind young Black people that they could have the future that they wanted.

Glossary

R & B:	Popular music with a soulful style.
grime:	Popular music with a low bass line.
reggae:	Popular music that includes elements of calypso and rhythm and blues.

Influential Musicians

Below are the stories of four talented musicians, whose inspirational music continues to influence many people today.

Ella Fitzgerald

One of the bestselling jazz singers in history, Ella Fitzgerald was born in Virginia, USA in 1917. She became known as the 'First Lady of Jazz' because she was the first woman to perform this type of music to a wide audience around the world. Her career lasted for over 60 years and she was known for her beautiful singing voice and ability to improvise with the music. As a child, she wanted to be a dancer but she panicked when she was due to go on stage at a contest and chose to sing instead. Amazingly, despite the sudden change, she won first prize. Throughout her career, she was awarded with 14 awards, including one for lifetime achievement. She was the first woman to achieve this highly respected award.

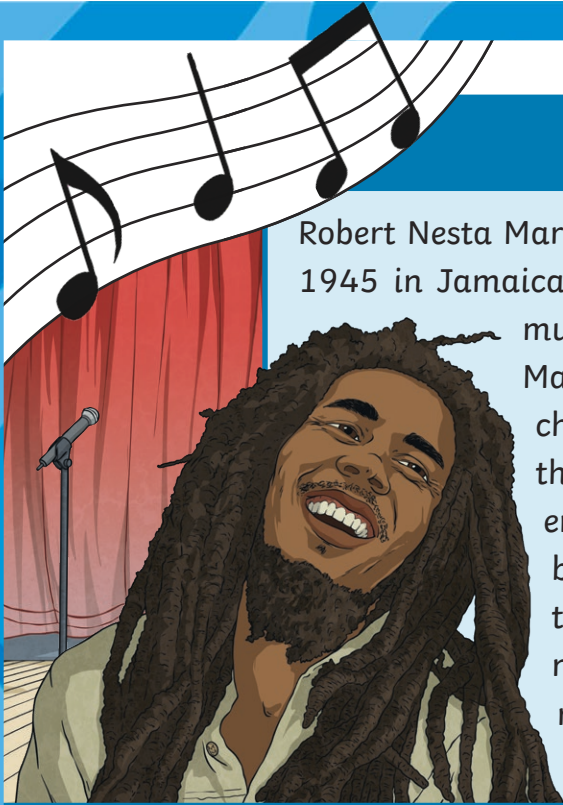

Aretha Franklin

Aretha Franklin was born in Tennessee, USA in 1942. Many people claim that Aretha is the greatest soul singer in the history of **R & B** music. She is known around the world as the 'Queen of Soul'. Aretha Franklin first began performing as a child. Her talent became obvious at a young age when she taught herself to play the piano. Aretha was the first woman to be asked to join the Rock and Roll Hall of Fame to recognise her successes in the music industry. She won 20 awards, including one for lifetime achievement. Aretha used her fame and influence to raise awareness of important causes, such as improving healthcare and the environment.

Bob Marley

Robert Nesta Marley, known as Bob, was born on 6th February 1945 in Jamaica. He made **reggae** music, which is a type of music developed in Jamaica in the 1960s. Bob Marley used his music to tell stories and to challenge opinions across the world. He spread the message of love and unity among all people, encouraging people to stand up for what they believed in. Many people today are inspired by the lyrics in his songs. Interestingly, Bob did not win any awards until a long time after his music was made. He finally received a lifetime achievement award in 2001.

Stormzy

Stormzy, or Michael Omari, was born on 26th July 1993 in Croydon, London. He is a British rapper who makes **grime** music. His debut album was the first grime album to make it to number one in the British album chart. In 2018, he also won British album of the year at an awards ceremony.

Stormzy began his career posting videos online. In 2019, Stormzy provided funding for two Black students to attend a prestigious British university. He said that he chose to support the students to remind young Black people that the opportunity to study at some of the best universities in the country was available to them and that they too could achieve their dreams.

R & B: Popular music with a soulful style.

grime: Popular music with a low bass line.

reggae: Popular music that includes elements of calypso and rhythm and blues.
