(2a)

3. 1 mark for all four correct

A cave is formed in the coastline. [2]

Waves increase the size of the arch. [4]

The top of the arch collapses. [5]

Weak rock is broken down by waves.

[1]

The cave wears through to form an arch. [3]

(2f)

4. 1 mark

abundant
(2a)

5. 1 mark for both correct

a giant and a witch
(2b)

6. 1 mark

Australia
(2b)

7. 1 mark for a sensible answer without supporting evidence, e.g.

"Because they don't know how they've really been made."

2 marks for a sensible answer with supporting evidence, e.g.

"Because they might not know how they've actually been made. For example, they might not understand how the cave gets worn away to become an arch."

(2d)
