

HANDSWORTH NEWS

BRANCHING OUT, GROWING TALL
HAND IN HAND, ONE AND ALL

Handsworth
Primary School

Dear Parents, Carers and Friends.

I hope you are well and enjoying this beautiful weather. As we work to find our way in these new circumstances please continue to communicate with us and let us know if there is anything you need. Our teachers and support staff are providing learning opportunities on the website, if you need anything else to support you and your children, let us know. What a treat it was to see Miss Lewis on the nursery page this week! Thank you so much Miss Lewis, was great to see you!

Thank you to those of you who have sent videos/photographs of your children dancing for our whole school dance video. Please continue to send these in. It just needs to be a few seconds. You can find more information on '**Challenge Time**' in the school news section of the website.

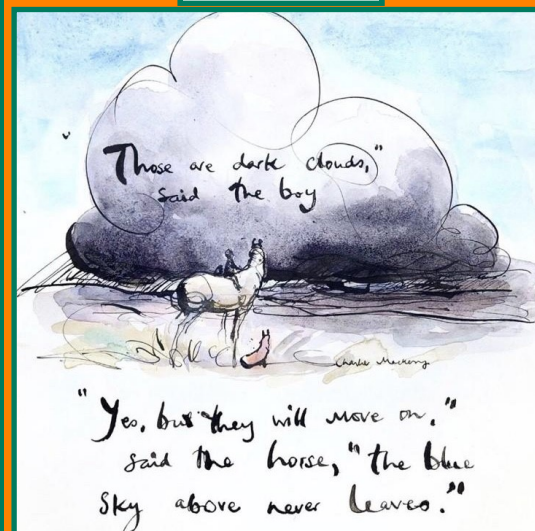

Sadly, we are saying goodbye to Mrs Giles this week, she has decided to take retirement and we wish her a wonderful future! Mrs Giles has been an incredible member of the Handsworth family for 15 years and we will certainly miss her kind, caring ways. Thank you Mrs Giles for all you have done for the Handsworth community.

To our families who are starting to observe the month of Ramadan today, we wish you a peaceful start and look forward to celebrating Eid with you when it comes. **Ramadan Mubarak**. Keep a look out for a special video on the website about Ramadan.

Stay safe and keep in touch! We miss you all and are here for you.

Mrs Nairne

Charlie Mackery

Thank you so much to the [Lars Windhorst Foundation](#) who have donated resources for our key worker children. We really appreciate your generosity! Thank you!

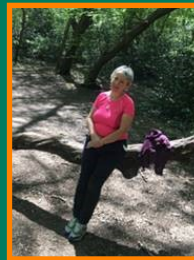

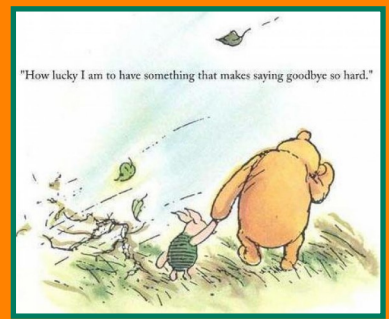

After 15 years at Handsworth Primary School, I have decided to take early retirement to pursue more leisurely activities. It has been a pleasure to teach and support your children over the past years. I have enjoyed watching them grow and develop into wonderful independent children.

Most of all, thank you to the children of Handsworth, it has been a pleasure being part of your education. I have enjoyed sharing your achievements both in the classroom and on the sports field. Please keep up your enthusiasm for learning and achieving your goals. Above all, remember to strive to follow your dreams.

I look forward to seeing you all when school opens to say, "Goodbye."

Regards

Tracey Giles

Please continue to engage with the website and see what our fantastic staff are providing for the children. They are inspiring our children! Keep sharing photographs with us too. **Remember to let us know if you need any resources.**
