

HANDSWORTH NEWS

**BRANCHING OUT, GROWING TALL
HAND IN HAND, ONE AND ALL**

Dear Parents, Carers and Friends.

It has been amazing to see our children and their families back at Handsworth. Our school is buzzing with happiness and excitement and the children have settled in beautifully to their new routines. We have been so impressed with the children's enthusiasm for learning, they are so keen to show their teachers what they can do.

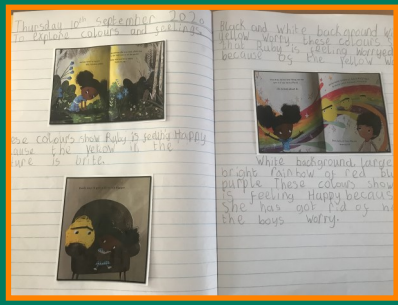

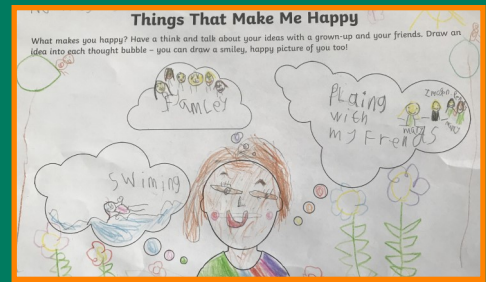

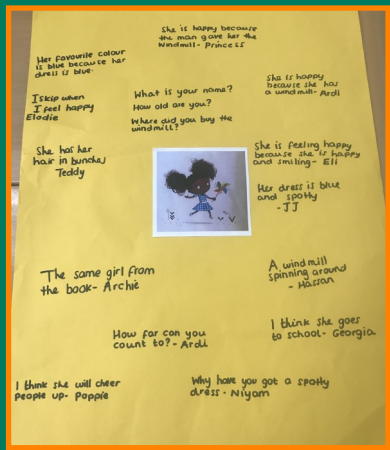

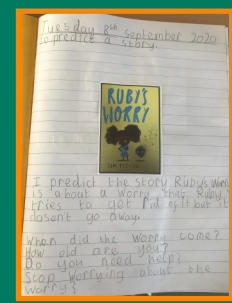

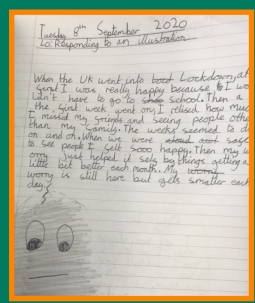

Over the next week we will be holding Year Group Parent Meetings. These will be held on Zoom and will be an opportunity for you child's class teacher and myself to talk to you. The time of your meeting will be posted on to your child's class page. We will record the meeting and post it on the website. You will be able to watch the recording if you are not able to make the time.

I would like to thank you all for the support you have given us. Together we are a strong, supportive community. Your words of encouragement mean so much. As always, we welcome feedback so please keep us informed with how things are for you. Have a lovely weekend.

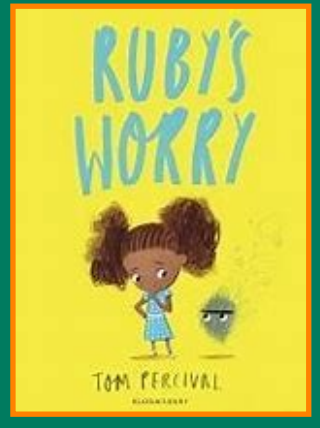

Mrs Nairne

Please maintain social distancing during drop off and collection. Pupils and parents must remain socially distanced from those not in their household. Please keep a distance of at least 2 metres. If your child or anyone in your family presents with Covid symptoms you must get a test. Children will not be able to return to school until a negative result is received. We must keep each other safe and we must all play our part.

Children from Nursery to Year 6 are reading and exploring the book **Ruby's Worry**. Children are discussing the themes and characters. They are also reflecting on how we deal with our own worries. Every year group will create a display in the small hall to celebrate the outcomes. We will share photographs of these displays on the website.

We have had some wonderful art work painted over the summer!

Welcome Back!
