

Mrs Nairne's Headlines

Wherefore Art Thou Romeo?

I have been so impressed with our Year 6 children this week. They have thoroughly enjoyed **Shaking Up Shakespeare** and will finish tonight with a performance to parents and carers.

On Monday, Key Stage 2 watched Anthony Glenn perform Romeo and Juliet, we had some superstars joining in too!

In just 5 days the Year 6 children created their own production, it was brilliant!

Anthony Glenn has worked with our children for many years now and they always get so much from the experience! Thank you Anthony!

Workshops

Recently we have invited you to a **Safer internet Workshop, Phonics Workshop and Year 5 and Year 6 Maths workshop.**

We didn't get a huge turn out for these events despite parents/carers showing an interest in attending.

We are committed to working with you and making sure you are informed about what happens at school. We want to get this right.

If you have any feedback about what would make it easier for you, please let us know.

We will continue to provide workshops as we value your input and contributions.

Parent Consultations

We are looking forward to inviting you into school on **Friday 1st April** to discuss your children's progress. Parent consultations will be in person and will run throughout the day.

School will be closed to the children, however, they are welcome to join you for the meeting if you feel it would be helpful.

Bookings for the Parent consultations are now live and can be booked through the website!

Please contact the school office if you are having any issues with booking appointments.

**Red Nose Day is on
Friday 18th March 2022**

Dress up as a Superhero/In your own clothes

Donate £2 (optional)

Growth and Change Science Week 11 - 18 March 2022

There are lots of exciting activities happening during Growth and Change Science week! Keep an eye open on the website for important information regarding Wheels to school and Family Fun. If there are any volunteers who would still like to make an in person contribution towards the Science week, please let Miss Jordaan know. We are looking forward to welcoming the Mayor of Waltham Forest, Cllr Elizabeth Baptiste, to our school on Thursday morning. Please talk to your children about the activities they take part in every day.

Keep feeding our children's enquiring minds.

If you've got any questions please feel free to ask Miss Jordaan, our Science Subject Leader.

Thank you for everything you have done for the children, parents and staff at Handsworth Ms Foulser. We wish you all the best for the future.

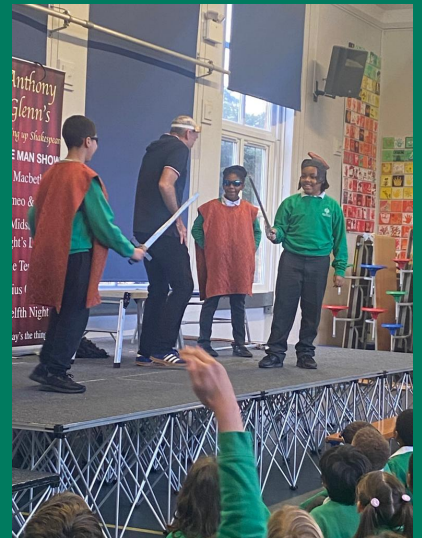

Well done to the children
who represented the
school in the Basketball
competition this week!

We are very proud of you
all!

We all thoroughly enjoyed our Year 6's Production of Romeo and Juliet!

≡ International Women's Day ≡

Every year on 8 March, International Women's Day is celebrated around the world!

But why – you might ask – do we have a day especially for women? Well, it's fair to say that throughout history, women haven't always received the fairest of treatment.

Women haven't always been able to work, vote, or been given the same rights as men.

So since the early 1900s, women around the world have celebrated an International Women's Day, campaigning for equal rights and shining a spotlight on brilliant women across the globe.

Puberty Information for Parents and Carers

On Tuesday 22nd March at 8.30am,

Our school nurse will deliver a parent/carers workshop about puberty.

This will take place in the small hall.

This will give you an opportunity to ask questions and get advice.

The nurse will be sharing information about how to deal with issues surrounding puberty.

Your next favourite book

Our new **Scholastic Book Club** is up and running! Go to <https://schools.scholastic.co.uk/handsworth/digital-book-club> to browse the latest books and order online. For **every £1 you spend** on this month's Book Club, **our school will earn 20p** in Scholastic Rewards. We would like to use this money to buy books for class book corners so we would really appreciate any purchase made through this link.

Please place your **order online by March 21st, 2022.**

Or, enrol in the **BeeZee Academy** - our FREE self-paced online learning portal full of useful information and tips on how to make your family healthier.

[Sign up here](#)

*to be eligible for this awesome free service, your family must live/go to school in Waltham Forest and include one child who is above their ideal healthy weight.

SALT AWARENESS WEEK

14th - 18th March

Did you know that children should have no more than 3g-6g salt per day, depending on their age? That's less than a teaspoon! But with three quarters of the salt we eat hidden in the prepared foods we buy, it can be hard to keep tabs on our family's salt intake!

Making your own snacks is a great place to start. Instead of a packet of crisps, try these quick 'n' easy nacho chips! Season with flavours of your choice, or serve with hummus or salsa!

THEYRE NACHO CHIPS! THEYRE MINE!

what you'll need

- Tortilla wrap (corn works best)
- Olive or rapeseed oil
- Herbs & spices of your choice - e.g. paprika, chilli, garlic granules...

what to do

- Preheat the oven to 180C/gas Mark 4
- Slice a tortilla wrap into triangles
- Lightly brush or spray with oil
- Sprinkle with chosen herbs or spices or a little salt
- Bake in the oven for about 8 minutes

The purpose of Star of the Week is for us to have the opportunity to celebrate every child in our community specifically. We encourage everyone to celebrate what is wonderful about that child. Children do not need to do anything to earn Star of the Week – each child deserves it and they will each get a turn. The stars also have the opportunity to have tea with Mrs Nairne and Ms Addai. **This week's stars will have tea next Friday as we watched Shakespeare this afternoon.**

If your child is Star of the Week we encourage you to ask them to repeat to you some of the positive statements their classmates and teachers make about them and add your own!
