

Mrs Nairne's Headlines

International Day

International Day this year is on Friday 21st October 2022.

We will be focusing on **Cuisines from our Cultures!**

Children and staff are invited to wear colours (for example, flag colours) that represent their cultures and backgrounds, and bring in any special items which they would like to talk about with the class.

We would love to give the children an opportunity to try different cuisines, If you are interested in sharing a dish, please complete this form [International Day](#)

Coffee Morning

We are pleased to announce that we will be holding coffee mornings which will be an opportunity for parents, carers and the wider community to learn more about Inclusion and what we can do to support those children with additional needs.

The dates of the coffee mornings are on the next page of this newsletter. We are proud to announce that next Friday 14th we will have guest speaker and Neurodiversity consultant Fintan O'Regan, who will be talking to us about ADHD and Autism in children.

This will take place from 9am - 11am in the small hall.

Volunteers

Thank you to the parents, carers and community members who have offered to volunteer in school! It is wonderful and I know our children will really benefit from extra reading sessions and support that you can offer.

Can I just ask that you give us a little time to get back to you. At the moment we are all focussing on getting those routines, systems and procedures running smoothly in class.

After half term we will make contact and come up with a plan for how you can come into school to support. Thank you once again for your continued support.

International Day

Friday 21st October 2022

MUSIC OF THE WEEK

A black and white portrait of Aretha Franklin, smiling and resting her chin on her hand.

Aretha Franklin

Each week we introduce the children to a different musical artist or genre. The children listen to this music around the school, in class and in assemblies.

The purpose of Star of the Week is for us to have the opportunity to celebrate every child in our community specifically. We encourage everyone to celebrate what is wonderful about that child. Children do not need to do anything to earn Star of the Week – each child deserves it and they will each get a turn. The stars also have the opportunity to have tea with Mrs Nairne and Ms Addai.

If your child is Star of the Week we encourage you to ask them to repeat to you some of the positive statements their classmates and teachers make about them and add your own!
