

# Our Priorities

2023/24

**1**

**To raise the progress and attainment in writing to exceed national expectations at the end of KS1 and KS2 and meet age-related expectations in all other year groups.**

**2**

**Children with SEND make at least expected progress from their starting points**

**3**

**To embed the curriculum through high-quality staff training and support so that pupils secure a deep understanding and produce excellent outcomes in all subjects.**
