1.1 INTRODUCTION

The school recognises that its premises are a valuable resource within the community and welcomes the opportunity to enable others to benefit. Educational, meeting the needs of the school and national curriculum, and other statutory requirements, including Polling Station use, take precedence over any other use.

1.2 DEFINITION OF A SCHOOL LETTING

A letting is defined as 'any use of the school building and grounds by parties other than the school'. Use of the premises for activities such as staff meetings, Friends of Handsworth Community Events, Governing Body meetings or where pupils are supervised by school staff, are considered school related and do not require a letting agreement. A letting should not extend more than one year although it can be reviewed annually.

1.3 MANAGEMENT OF LETTINGS

The Governing Body has delegated the responsibility for lettings to the Head Teacher. Where appropriate the Head Teacher will delegate all or part of this responsibility to the School Business Manager.

A record of lettings will be kept and will include information on users, finances, incidents, accidents, enquires and any lettings refused.

1.4 SAFEGUARDING

The school's Safeguarding policy and procedures must be consulted and followed when dealing with external organisations that work with children or young people.

1.5 CONSIDERING APPLICATIONS FOR LETTINGS

The Head Teacher will decide on the approval of the application with consideration to:

- Interference of school activities. Priority at all times should be given to school functions.
- The availability of facilities.
- The availability of staff to open and close the premises.
- The school's Safeguarding policies (*please refer to 1.4*) and health and safety policies (*please refer to 1.8*).
- Health and safety considerations in relation to the number of users, type of activity, qualifications of instructors etc.
- Adequacy of management procedures in place during the hire.
- The appropriateness of the letting and whether it is deemed compatible with the ethos of the school.

Applications shall be made in writing on the school lettings application form (Appendix A) and must be signed by the hirer. Confirmation will be sent to the hirer along with the Terms and Conditions.

1.6 CHARGES

The applicant is required to pay the applicable charges in full, prior to the date of the hire. The letting will not be considered booked until payment is received. Where the letting is ongoing, payment should be made half-termly and in advance by the hirer. Payment should be made no later than 14 days before the first session of hire.

The Governing Body or those with delegated powers are responsible for setting charges for each area available for hire. Charges will be reviewed by the Governing Body on an annual basis. As a minimum, the school should achieve full cost recovery. Apportioning costs will be carried out with consideration to the following. The list below is not exhaustive.

A security / damage deposit may be required to be paid for a letting, at the discretion of the Governing Body. The deposit will be returned following the end of the letting, subject to the premises being returned in a state of good order.

Premises Management	Cost of staffing (including on costs) for additional security, caretaking, opening and locking premises. This charge will vary depending on staffing hours needed.
Administration	Administrative costs incurred by the school in managing lettings.
Equipment Hire	Use of school equipment to cover wear and tear. The charge can vary depending on the type of equipment or number of units required.
Cleaning	If additional cleaning is required, the school can ask the cleaning contractor for a quote. This charge will vary depending on the extra cleaning hours needed. <i>Additional cleaning costs may be applicable for the hire of kitchen facilities:</i> The school meal contractor will need to advise whether extra cleaning will be undertaken by the contractor after the hire and prior to commencing with normal school meal activities. This may be a requirement even if the kitchen is cleaned thoroughly by the Hirer. The contractor should advise whether an extra charge is applicable and this should be added to the overall hire fee of the kitchen.
Heating/ Lighting	This can be calculated from known annual energy costs, and an estimate of the percentage of the school used for letting. The charge can be set higher in winter months to reflect the additional heating.
Insurance	Proof of adequate insurance must be provided by the hirer to the school. (Please refer to 1.7 for more information).
Profit	This depends on whether the school intends to raise funds for the school.
VAT	Letting sports facilities e.g. tennis courts, are subject to VAT. Also where an extra and separate charge is made for the hire of equipment e.g. piano's, furniture, staging, lighting, VAT is due on that charge at the standard rate. The hire of halls or rooms are not subject to VAT unless equipment is provided such as nets, bats and balls in which case it is vatable. The school must record the VAT element of any income.
Deposit	Schools should request a deposit as well as a lettings fee as a surety against damage to the premises or equipment or the premises being left in an unacceptable condition incurring additional costs for cleaning, caretaking or other expenses.

1.7 INSURANCE

It is the responsibility of the hirer to ensure they have adequate public liability insurance. A copy of the insurance must be copied to the school office prior to the letting.

1.8 HEALTH AND SAFETY

Under the Health and Safety at Work etc. Act 1974 the employer is responsible for the health and safety for employees and others who are on the premises.

1.8.1 The school will follow the health and safety guidance below for all lettings:

- The hirer should refer to the school's Health and Safety Policy.
- The school and the hirer must ensure that the premises are suitable for the intended use.
- The school and the hirer must agree the extent of the use of premises and equipment.
- The school will ensure that the hirer is competent to use any equipment provided by the school and that all equipment is in a safe condition.
- Electrical equipment provided by the hirer must have a current Portable Appliance Test Certificate.
- The school will ensure that the means of access and egress are safe for the hirer. The hirer must ensure that this is maintained during the letting.
- The school will advise the hirer of any known hazards prior to their letting commencing and will request that the hirer notify the school of any hazards during the letting.
- The hirer must ensure that the kitchen is restricted to authorised persons only (i.e. no children).
- The school will provide the hirer with details of emergency procedures e.g. action to be taken on discovering a fire, fire evacuation etc.

- A telephone must be available for emergency calls. The school may make a landline available to the hirer for use in an emergency or ensure that the hirer has access to a mobile.
- The hirer must make suitable arrangements for first aid, including providing their own first aid kit.
- An Accident / Incident Form must be completed by the hirer in the event of an accident or incident occurring on the premises.
- The school's site manager/caretaker will check that the premises have been left in a safe condition.

1.8.2 In addition to the above, the school will follow the health and safety guidance below for all repeat lettings:

- The hirer must have regard to the national standards of qualification, experience and competence of instructors/supervisors/coaches for sporting and other activities.
- The school may require the hirer to provide a risk assessment specific to the letting.
- A fire drill involving the hirer should be carried out periodically.
- The hirer is responsible for ensuring that a Personal Emergency Evacuation Plan (PEEP) is drawn up for anybody attending their session that has a physical or mental health impairment which would affect their ability to evacuate in an emergency.
- The hirer must keep a register during their letting for use in an emergency evacuation.
- The hirer should make arrangements for the provision of first aid.

1.9 HIRE OF KITCHEN FACILITIES

A hire application which includes the use of the kitchen for food storage, production, assembly or service should be discussed with the Head Teacher and the school meal contractor before being approved. The school should consider developing a separate set of conditions, which will include specific details of the areas and equipment the hirer is permitted and not permitted to use.

All areas of the kitchen should be cleaned and left tidy after use, however the school meal contractor may request that their staff conduct another clean prior to commencing with normal food handling activities, at an additional cost.

1.10 LICENSING ACT 2003 - ALCOHOL, MUSIC, PERFORMANCE OF DANCE, PLAYS AND LATE NIGHT REFRESHMENT

A licence for any of the above activities is not necessary where a function is not open to the public. Thus weddings, private parties, or similar events are not licensable.

Any event where tickets are sold (i.e. a public event) or where any alcohol is sold (or is provided inclusive of a ticket price), requires a licence. This will normally be a Temporary Event Notice (TEN) which the hirer must submit to the Council's Licensing service. A copy of the licence must be provided to the school in advance.

1.11 GAMBLING ACT 2005

A hire application which involves gambling activities must be referred to the Council's Licensing Service for advice on how to proceed. No application should be accepted without express permission from the Licensing Service.

The Head Teacher/ Governing Body will review this policy and its appendices annually. The school may review and amend the policy at any stage to comply with statutory or other requirements, or for any other reason.
